

SING PRAISES*

Let all who love God sing praises,
from the first rays of the rising sun,
till it sets in the shadows of the dusk.

Sing praises, sing praises, sing praises,
to the God we love.

Holy One, You are greater, than all the nations of the earth.
Your glory reaches far, beyond the smallest stars in the sky.
Who is like our God, who is so far yet close within.

Sing praises, sing praises, sing praises,
to the God we love.

You raise the poor from the dust,
You lift the needy from the mud,
You give hope of dignity in life.

Sing praises, sing praises, sing praises,
to the God we love.

Let all who love God sing praises. . . .
