

# LOVINGLY HOLD ADOSHEM

Lovingly hold, Adoshem your God,  
with all your tears and joy,  
with all your godliness, unshakable,  
lovingly hold Adoshem.

This path you are guided on  
shall fill your heart,  
walk it for the children.

Live it always,  
at home, at work, at play,  
going back and forth,  
in the light and dark.

Mark your hand with its map,  
put it before your eyes,  
on your door, over the world,  
say you're one with Adoshem.

Lovingly hold, Adoshem your God. . . .
