GOD IS MY SHEPHERD*

Almighty God is my shepherd, I lack nothing.

I've been given green pastures to lie in,

led to waters in places of repose,

my life renewed again.

And guided in the righteous paths,

as befits the name of God.

Thought I walk in a valley of darkness,

I fear no harm for you are with me.

Your rod and your staff,

they comfort me.

You spread a table before me,

for all my enemies to see.

You anoint my head with oil,

my cup is overflowing.

Only goodness and love I'll pursue then,

all the days of my life.

And I will live in the house of God,

for all my remaining years.

Almighty God is my shepherd, I lack nothing.

I've been given green pastures to lie in,

led to waters in places of repose,

my life renewed again-

my life renewed again,

my life renewed again.
