

IS IT POSSIBLE

Is it possible to fill the hole in my soul?

Is it possible to be always with God?

Is it possible to hear the shofar's call?

Is it possible to make myself anew?

There will be a way, the path revealed someday,*
when my heart and soul know God. (x2)

Is it possible to open the door to my heart?

Is it possible to lose that stony part?

Is it possible to be one with Yisrael?

Is it possible to live its Torah too?

There will be a way, the path revealed someday* . . . (x2)

Is it possible to fill the hole in my soul?

Is it possible to be always with God?

Is it possible to hear the shofar's call?

Is it possible to make myself anew?

There will be a way, the path revealed someday* . . . (x2)
